

# *What is* WEST VIRGINIA *businesslink* ?

A one-stop, online resource available to the state's entrepreneurs and business owners, including existing businesses, start-ups and aspiring businesses. It connects entrepreneurs and business owners to all available sources of business assistance and services in West Virginia.

## *Services available from Resource Partners include the following:*

- Business planning
- Loans & financing
- Co-working/co-making
- Accelerators and Incubators
- Marketing & sales
- Human Resources
- Mentoring
- Licenses & permits
- Startup assistance
- Product development
- Technical Assistance
- Training classes
- Government contract assistance
- Operations assistance

## *Who can use it?*

All West Virginia based entrepreneurs, business owners and aspiring business owners are encouraged to use West Virginia BusinessLink.

## *How does it work?*

Entrepreneurs and business owners can go online to [wvbusinesslink.com](http://wvbusinesslink.com), use the "Connect to Resources" box to find resources in a specific area, explore upcoming training and networking events in the calendar, and find supportive information in the "STARTUP," "GROWTH" and "FUNDING" tabs. One-on-one appointments to discuss business needs can also be requested by calling **888-982-7232**.

## *Stay connected on social media!*
